

# **COURSE TRAINING STANDARD**

## **EXECUTIVE PROTECTION**

Date developed: March 2020

<p><b>Rationale</b></p>	<p>In the present day, Tactical Synergy executive protection has gained its place in the corporate and business worlds, as well as the entertainment industry, private individuals and professional occupations. Our personnel have “real world” experience in close personal protection, security consulting, emergency evacuation, threat-risk management, emergency medical aid, protective advance procedures and covert/overt surveillance. We achieve our objectives through our planning, anticipation and preparedness. These specialized services are customized to each clients’ needs, with extensive consideration given to current risks and operational environment.</p> <p>Tactical Synergy are highly trained and educated specialists who are as comfortable in a corporate boardroom or mingling with high net-worth families, foreign dignitaries, royalty, and heads of private industry.</p>
<p><b>Course Objectives</b></p>	<p>To have the students proficient at Level 1 tactics needed to execute close personal protection at a high standard, and to enable the attendees to teach their fellow team members the tactics required.</p> <p>The use of FX simmunition will be utilized to heighten the operatives stress level to better align to their real-world function.</p>
<p><b>Topics Include</b></p>	<ul style="list-style-type: none"> <li>- History of Close Personal Protection</li> <li>- Threat/Vulnerability Assessments and Risk Analysis</li> <li>- Box formation movement</li> <li>- Diamond formation movement</li> <li>- One- and two-man movement</li> <li>- Conducting an Advance</li> <li>- Concierge Security Service</li> <li>- Mental mindset</li> <li>- Equipment</li> <li>- Stress inoculation and ways to control stress</li> <li>- Route Planning</li> <li>- Managing targeted violence and Pre-assault indicators</li> <li>- Scenario development</li> </ul>
